MARCH

With the temperature getting warmer, in the month of March we hope to get closer to our fellow countrymen, from the cultural elements that unite us as Colombians: dance, music and cinema.

Let's enjoy the spaces that bring us closer to Colombia from a distance.!

Embassy Events

Wednesday March 20

Cine Club

Once a month we open our doors to Colombian film lovers to enjoy national films and explore our cultural richness on the big screen. In our social networks we publish the link to register for the event and more details about the films to be screened.
