**22.08**  
**20:30 hs.**

**Porgy & Bess, Jazz and Music Club, Riemergasse 11, 1010, Vienna, Austria**

Anamaría Oramas is one of the most important voices of the jazz scene in Bogotá. Oramas offers an introspective reflection on traditional Colombian music. The gaita, the traverse flute and traditional Latin American percussion instruments dialogue between elements that evoke the party bands of Pelaya, the nostalgic gaita songs or the sung Currulao. It will be presented in the most important jazz bar in Vienna. This activity is part of the Plan de Promoción de Colombia en el Exterior de la Cancillería Colombiana, and is co-organized with MACHI Kulturmanagement. .

# Art Exhibition "Mujeres"

Aracelly Ramírez Vila

Until 30.07

**OpenWine Yacht Gallery,  
Brno, CZ**

The exhibition "Mujeres" (Women) by Colombian digital illustrator Aracelly Ramirez Vila will be on display at the OpenWine Yacht gallery in Brno. Organized by the Ibero-American Zone. "My work is inspired by the female universe. I illustrate dark-skinned women. Women with long necks that breathe delicacy and elegance. Women with closed eyes who block external distractions by focusing on inner thoughts and feelings. Courageous, charming, free, adventurous and dreamy women." Each face in her illustrations has its own story to tell, likewise, each person will see in them what their own vision shows them. Her inspiration: "comes from the world around me: other artists, my family, friends, trips taken, places traveled and various socio-cultural issues that manage to awaken my creativity"
