## Colombia Cultural News

On June 5, the World Environment Day, Colombia as the second most biodiverse country of the world and global host of the celebration cannot hold back when it comes to the commemoration...virtually. Also, we have received the good news of the participation of the Colombian short film "El Remanso" in the Vienna Shorts Festival. In the following, you will find the information on these and other activities.

### Colombia 2020, World Environment Day

Culture is an essential part of the celebration, with videos such as "La Amazonía, Magia de Colores" and "El baile de la Abundancia" and various academic panels with important participants, among them His Holiness Pope Francis, President Duque, Albert II of Monaco, Prince Charles of England and the UN Goodwill Ambassadors Jane Goodall and Leonardo Di Caprio.
